Independent Auditor's Report

To the Members of SAHAY

Report on the Audit of the Financial Statements

Opinion:

We have audited the accompanying financial statements of SAHAY ("the Society"), which comprise the Balance Sheet as at March 31st, 2022, the Income and Expenditure Account and the Receipts and Payments Account for the year then ended and notes to financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the West Bengal Societies Registration Act, 1961 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Society as at March 31st, 2022, and its surplus for the year then ended and the receipts and payments account for the year ended on that date.

Basis for Opinion:

We conducted our audit in accordance with applicable Standards on Auditing (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Responsibilities of Management for the Financial Statements:

The Society's management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and position of receipts and payments of the Society in accordance with the accounting principles generally accepted in India, including the applicable Accounting Standards. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of section 15 of the Act for safeguarding of the assets of the Society and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operation, or has no realistic alternative but to do so.

The management of the Society is also responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identified and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtained an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal financial control.
- Evaluated the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Concluded on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exist related to events or conditions that may cast significant doubt on the Society's ability to continue as going concern, If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicated with the management regarding, among other matter, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit.

We also provide the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter:

The Society has also prepared a separate set of financial statements for the year ended March 31, 2022 in accordance with the provisions of section 19 of the Foreign Contribution (Regulation) Act, 2010 read with Rule 11 of Foreign Contribution (Regulation) Rules, 2011 as amended from time to time ("the Rules") for the purpose of onward submission to the Secretary, government of India, ministry of Home Affairs, New Delhi as required under Rule 17 of the Rules, on which we issued a separate independent auditor's report to the members of the Society dated September 21, 2022.

Report on other Legal and Regulatory Requirements

We also report that:

- a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. in our opinion, proper books of account as required by relevant laws have been kept by the Society so far as it appears from our examination of those books.

1.2 Use of Estimates

The preparation of FCA financial statements requires the management to make estimates and assumptions which are considered to arrive at the reported amount of assets and liabilities and disclosure of contingent liabilities as on the date of FCA financial statements and the reported income and expenses during the reporting year. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from these estimates. The difference between the actual results and the estimates are recognised in the period in which the results are known/materialised. Any revision to the accounting estimates are recognised prospectively in the current and future years.

1.3 Contribution and Income Recognition

All contributions received are recognised to the extent it is probable that, it can be reliably measured and it is reasonable to expect ultimate collection. Other Income, if any, is recognised on accrual basis.
