INDEPENDENT AUDITOR'S REPORT

To the Members of SAHAY

Report on Audit of the Foreign Contribution Account ('FCA') Financial Statements

Opinion

We have audited the accompanying FCA financial statements of SAHAY ("the Society"), which comprise the FCA Balance Sheet as at March 31, 2021, the FCA Income and Expenditure Account and the FCA Receipts and Payments Account for the year then ended and notes to FCA financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "FCA financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid FCA financial statements have been prepared in all material respect in accordance with the provisions of section 19 of the Foreign Contribution (Regulation) Act, 2010 ("the Act") read with Rule 11 of Foreign Contribution (Regulation) Rules, 2011 as amended from time to time ("the Rules") and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Society as at March 31, 2021, its deficit for the year then ended and the position of receipts and payments as at March 31, 2021.

Basis for Opinion

We conducted our audit in accordance with applicable Standards on Auditing ('SAs'). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the FCA Financial Statements section of our report. We are independent of the Society in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the FCA financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the FCA financial statements.

Emphasis of Matter

We draw attention to the following matters in the notes to the FCA financial statements:

- Note No. 1(b) to the FCA financial statements, which describes the basis of accounting. The FCA
 financial statements are prepared for the purpose of onward submission to the Secretary,
 Government of India, Ministry of Home Affairs, New Delhi as required under Rule 17 of the Rules.
 As a result, the FCA financial statements and our report thereon may not be suitable for another
 purpose.
- 2. Note No. 12 to the FCA financial statements in relation to the unutilised balances lying with Partner Projects as on March 31, 2021.

Our opinion is not modified in respect of these matters.

Responsibilities of Management for the FCA Financial Statements

The Society's management is responsible for the preparation of these FCA financial statements that give a true and fair view of the financial position, financial performance and position of receipts and payments of the Society in accordance with the accounting principles generally accepted in India,

2014

HARIBHAKTI & CO. LLP

Chartered Accountants

including the applicable Accounting Standards. This responsibility also includes maintenance of adequate accounting records in respect of foreign contribution received and utilised in accordance with the provisions of section 19 of the Act read with Rule 11 of the Rules. The Society's management is also responsible for safeguarding of the assets of the Society and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal controls; relevant to the preparation and presentation of the FCA financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the FCA financial statements, the management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

The management of the Society is also responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the FCA Financial Statements

Our objectives are to obtain reasonable assurance about whether the FCA financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these FCA financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the FCA financial statements, whether
 due to fraud or error, design and perform audit procedures responsive to those risks, and obtain
 audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
 not detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Society's internal financial control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the FCA financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the FCA financial statements, including the disclosures, and whether the FCA financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

HARIBHAKTI & CO. LLP

Chartered Accountants

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Society has also prepared a separate set of financial statements for the year ended March 31, 2021 in accordance with the West Bengal Societies Registration Act, 1961, on which we issued a separate independent auditor's report to the members of the Society dated October 7, 2021.

1 Significant Accounting Policies and Notes to Foreign Contribution Account Financial Statements

(a) Brief Background

Sahay (the 'Society') is a society registered under The West Bengal Societies Registration Act, 1961 and under The Foreign Contribution (Regulation) Act, 2010 ('FCRA') having registration number 147120397. The Society implements child sponsorship programs in Kolkata through its own Community Centres and at various districts of West Bengal through its Cluster Offices and Partner Projects, addressing the needs of vulnerable children in areas of health, education, nutrition, empowerment and employment.

(b) Significant Accounting Policies:

1.1 Basis of Preparation

These Foreign Contribution Account (FCA') financial statements have been prepared in accordance with the provisions of Foreign Contribution (Regulation) Act, 2010 read with Foreign Contribution (Regulation) Rules, 2011 as amended from time to time, the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI) to the extent applicable to the Society and the generally accepted accounting principles in India, under the historical cost convention, on accrual basis.

1.2 Use of Estimates

The preparation of FCA financial statements requires the management to make estimates and assumptions which are considered to arrive at the reported amount of assets and liabilities and disclosure of contingent liabilities as on the date of FCA financial statements and the reported income and expenses during the reporting year. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from these estimates. The difference between the actual results and the estimates are recognised in the period in which the results are known/materialised. Any revision to the accounting estimates are recognised prospectively in the current and future years.

1.3 Contribution and Income Recognition

All contributions received are recognised to the extent it is probable that, it can be reliably measured and it is reasonable to expect ultimate collection. Other Income, if any, is recognised on accrual basis.

1.4 Partner Project Expenses

The Society gives contribution to various entities as part of its social programme of reaching out to sponsored children in areas where it does not have its own designated service centres. Such entities are called "Partner Project". Partner Project Expenses are accounted for as and when the relevant documents/supportings of expenses are submitted by the concerned Partner Project. During the current year, the FCRA Act was amended through Foreign Contribution (Regulation) Amendment Act, 2020, effective from 29th September, 2020. In terms of amended Section 7 of the same, "no person who - (a) is registered and granted a certificate or has obtained prior permission under this Act; and (b) receives any foreign contribution, shall transfer such foreign contribution to any other person." Accordingly, the Society has stopped transfer of funds to Partner Projects from 29th September, 2020.

1.5 Fixed Assets

Fixed Assets purchased have been recognised at cost of acquisition including duties, taxes and other costs incurred to put the asset to use. Sales/discard of fixed assets is accounted for as follows:-

- a) Sales proceeds of items of fixed assets are reduced from the block of assets to which such items belong.
- b) Where the entire block of fixed asset is no longer usable/available for use, the written down value is reduced to zero.

1.6 Depreciation

Fixed assets are depreciated as per written down value method over their useful lives determined by the management. As per the Management the rates prescribed under the Income-tax Act, 1961 best represent the management's estimate of useful lives of respective assets.

1.7 Inventories

Inventories comprise of gifts purchased for distribution and are valued at lower of cost and net realizable value. The comparison of cost and net realizable value is made on an item on item basis. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a first in first out basis. Inventories includes stock at partner projects and service area centres. Closing stock at partner projects are determined and confirmed by the respective subprojects.

1.8 Foreign Currency Transactions

- (i) The foreign currency transactions entered into by the Society are accounted at the exchange rate prevailing on the date of the transaction.
- (ii) Foreign currency monetary items outstanding as at Balance Sheet date are restated at year end exchange rate. Non-monetary items are carried at historical cost.
- (iii) The exchange differences on the transactions and translations, if any, are recognized in the Income & Expenditure Account.

1.9 Retirement & Other Employee Benefits

(i) Contribution to Provident Fund is provided as per prescribed rates prevailing in Employees' Provident Funds and Miscelland Provisions Act, 1952 and deposited with the office of the P.F. Commissioner having jurisdiction.

(ii) Gratuity Liability is a defined benefit obligation and the Society accounts for its Gratuity Liability for every completed year of service at the rate of 1 month's basic salary based on the last drawn salary made at the year end, assuming that the Gratuity is payable to all the employees at the end of the accounting year. The gratuity scheme of the organisation is being administered by the Life Insurance Corporation of India.

1.10 Provisions and Contingent Liabilities

A provision is recognised when the Society has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the FCA Balance Sheet date. These are reviewed at each FCA Balance Sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are not recognised but are disclosed in the notes to FCA financial statements.

Claims against the Society not acknowledged as debts: Provident Fund demand u/s 14B and u/s 7Q of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952	6,858,608	6,858,608

12 The Society has made disbursements aggregating to Rs. 3,56,58,236/- (Previous Year Rs. 4,63,68,707/-) during the year to the Partner Projects. This amount has been verified by the Society's management based on summarised statements drawn up on the basis of monthly returns submitted by the Partner Projects. Such statements are also audited by the auditors of respective Partner Projects, which has been relied upon by the auditors of Sahay.

As stated in Note No. 1.4 to the FCA financial statements, the Society has stopped transfer of funds to Partner Projects from 29th September, 2020. However, in case of three partner projects, there are unutilised closing balances as on 31st March, 2021 amounting to Rs. 11,736. Such balances will be utilised by the partner projects for the purposes for which such funds were transferred to them by the Society.

13 During the FY 2017-18, the Society had changed its FCRA account from Citibank N.A. (Account No. 5-282243-018) to Kotak Mahindra Bank Limited (Account No. 1511836034). In compliance with notice no. 2/21022/58(951)/2017/FCRA (MU) dated 21st December, 2017 of Ministry of Home Affairs (Foreigners Division), the Society had filed the intimation for such change in bankers vide form no. FC-6 on 18th January, 2018 and again on 8th July, 2019 vide form no. FC-6C. The online portal of FCRA services, Ministry of Home Affairs, was showing the status of filed FC-6C as "under process". Pending resolution of the same, as at 31st March, 2020, the Society was having 2 FCRA accounts i.e. with Citibank N.A. (Account No. 5-282243-018) and Kotak Mahindra Bank Limited (Account No. 1511836034).

During the current year, FCRA account with Citibank N.A. (Account No. 5-282243-018) was closed on 26th March, 2021. All foreign contribution for the year ended 31st March, 2021 amounting to Rs. 16,13,56,442 (previous year: Rs. 18,65,99,746) was received in the FCRA account with Kotak Mahindra Bank Limited (Account No. 1511836034). During the year ended 31st March, 2021, there has been no transaction done in the FCRA account with Citibank N.A. (Account No. 5-282243-018), other than receipt of interest on outstanding balance in the account.

Further during the current year, the FCRA Act was amended through Foreign Contribution (Regulation) Amendment Act, 2020, effective from 29th September, 2020. In lines with requirements of the same, the Society has opened a new FCRA account with State Bank of India (Account No. 40056761927) on 5th March, 2021.
